## PERMISSION TO DISPLAY ONLINE

Grafton-Midview Public Library

I, \_\_\_\_\_, grant my permission for Grafton-Midview Public Library to display digital reproductions of items from the Local History Collection on the Internet for use by researchers. In granting this limited permission, my intention is not to surrender my intellectual property rights to materials in the collection, but only to promote scholarship by providing electronic copies for personal study and not-for-profit educational uses. This process would make the entire work available in perpetuity to anyone with access to the World Wide Web or its successors. The digitization process may also involve using search software and optical character recognition software to provide enhanced access to the contents of the document.

The following statement should accompany the online archive of items from the Local History Collection:

*Copyright protected. Use of materials from this collection beyond the exceptions provided for in the Fair Use and Educational Use clauses of the U.S. Copyright Law may violate federal law. Permission to publish or reproduce is required.*
